

Ensure that your application is complete by including the items listed below

- Client Application pages 1, 2 & 3.
- Completed and signed CCSI contract, with lease addendum (Schedule "D") if applicable.
- Seeding equipment purchase receipts **OR** a photo of the serial number plate (*see example page 8*).
- Alberta Environment requires us to collect equipment photos on an annual basis:
 - 2 separate photos of your drill; One clearly showing the maximum width of the opener/boot, and the other showing the minimum distance between shanks
 - Similar photos showing NH3 equipment (if different from drill)
 - All photos must show a clearly readable tape measure (*see example page 8*).

Photos can be e-mailed to info@carboncreditsolutions.ca, or texted with your name to (403)408-6013

- A copy of your 2012 Crop/Hail Insurance **OR**

If you do not carry Crop/Hail Insurance you must supply the following:

- Your Crop Plan (*see example page 9*) signed by either a Professional Agrologist (P.Ag) or a Certified Crop Advisor (CCA), including their member number.

AND

- As many supporting documents as possible for all acres being submitted on Schedule "B". These may take the form of:
 - Receipts for:
 - Custom seeding
 - Custom spraying
 - Grain cleaning
 - Other custom work
 - CWB Permit books

NOTE: We are unable to process your claim if ANY items above are missing
